### NEWS RELEASE

#### GRANDE CACHE COAL CORPORATION ANNOUNCES FIRST EXPORT COAL SHIPMENT

Calgary, Alberta (GCE-TSX), November 24, 2004 – Grande Cache Coal Corporation ("Grande Cache" or the "Company") is pleased to announce that it has completed its first export coal shipment from its Grande Cache property. This shipment of high quality metallurgical coal from Westshore Terminals, near Vancouver, British Columbia, marks the first commercial sale to export markets for the Company.

"We are very excited to have our first export shipment completed and look forward to exporting an increasing volume of coal to our international steel mill customers" said Robert Stan, President and Chief Executive Officer of Grande Cache. "This first shipment of approximately 35,000 tonnes of coal to JFE Steel Corporation in Japan will be followed next month by our first sale to Posco in Korea. We are working diligently to ensure customer demands are met".

Grande Cache is an Alberta based metallurgical coal mining company whose experienced team of coal professionals is developing a long-term mining operation to produce metallurgical coal for the export market from Grande Cache's coal leases covering over 15,000 hectares in the Smoky River Coalfield located in west-central Alberta. Grande Cache's common shares are listed on the Toronto Stock Exchange under the trading symbol "GCE".
